

# Conference:

**Title:** CLIMATE CHANGE IMPACT ON THE BASQUE COAST BEACHES

**Speaker:** Dr. Iñaki de Santiago, Oceanographer, PhD in Civil Engineering.

**Day:** Friday 21<sup>st</sup> June 2019, 10:30

**Location:** CASEM, Pala B, First Floor, Classroom 22

*Dr. Iñaki de Santiago is a researcher (AZTI) with large experience in extreme events processes and especially on the impact of storms on natural and urban beaches by combining numerical modelling and video-monitoring techniques. The present talk will focus on the impact of climate change on the coastal zone and the study of adaptation and mitigation measures.*
